

In Our Own Voice*

Two representatives from the National Alliance for Mental Illness (NAMI) will share their personal perspectives of mental illness, as presenters who talk openly about what it is like to live with a mental health condition.

- Hear the inside story of those with lived experience
- Ask any questions
- Explore how you and the community can help

Date: **February 21, 2019**

Location: Solon United Methodist Church

Time: 7:00-8:30 p.m.

***This community-wide program is sponsored by the four churches of Solon.**
